Program cost	
Introductory Session	\$20 per client/couple
First Follow-up + Client Establishment Fee	\$135 <i>Includes First Follow-up (\$75 value), Client establishment costs, and all materials for a year worth of charting (Manual, 2 Charts, 1 Stamp packet, PMS symptom chart, blue/black + red pen)</i> <i>User picture dictionary included for Virtual Clients</i>
Subsequent Individual Follow-up Sessions	\$75 each

Distance clients:

1. For simplicity of shipping, all materials are mailed at once and shipping costs (approx. \$10) are included in the client establishment fee. No incremental shipping is charged.
2. For the best educational experience, all clients are required to receive the user Picture Dictionary. This is included in the client establishment fee which covers all materials, and my time for setting up your file/documentation.
3. After the first year, no incremental cost for providing or shipping materials will be charged for distance clients – this will be covered within the standard follow-up fees.

Note: Insurance may cover some or all costs. Ask for insurance codes to submit, and talk to your insurance provider.
